06 [MAUD] We have never discussed about people from Austria.

(ALEX) Because we had no idea how to contact them.

06 [MAUD:] Yes, and also, because this was supposed to be a small meeting.

06 [ALEX:] Now it's smaller than small.

06 [MAUD:] Yes.

06 [ALEX:] There is a possibility to have a representative of the Austrian Centra
organizations of Trade Unions. I have friends from Austria and I think

..... (Maud) and (Alex) exchange several comments--ca-

0554

06 (Bertil) leaves for Parliament.

06 [ALEX:] ... (something about Hungary, DDR)... Why do you resist every idea I

06 [MAUD:] No, but this has to be agreed upon if they send you. I have never ev
imagined that somebody would be available from Austria.

06 [ALEX:]

0572

06 [MAUD:] For instance, here you mention HAROLD (or Hal or Al???) GIBBONS (ph),
International Teamsters-- As far as I know, this is JIM HOFFA's trade union.

06 [ALEX:] JIM?

06 [MAUD:] A real gangster trade union.

06 [ALEX:] I don't think so.

06 [MAUD:] Well, it is. Haven't you seen that film 'On the Waterfront'? It's mi
up with the Mafia.

06 [ALEX:] No, they are very decent people.

06 [MAUD:] Perhaps this HAROLD GIBBONS (ph)--although I think I've seen that name
somewhere and not on our side--because this is the most gangsteric trade union
in the U.S.

06 [ALEX:] I like gangsters. (Back and forth on this. Then on a more serious le

06 (Maud) getting fed up with hearing that (ALEX) wants a (Swedish) trade unionist to
send out personal invitations to this Prep Meeting.)

0618

06 [ALEX:] CURTIS MCLEAN.

06 [MAUD:] Well, anybody from the ILWU (International Longshoremen's and Warehouse
Union, although your Big BORIS (AVERYANOV) didn't believe for a minute that
somebody from there would come.

06 [ALEX:] But here CURTIS MCLEAN, did he participate in the Sixth Conference?

06 [MAUD:] Yes.

06 [ALEX:] Why didn't he come for the special?

0629

06 [MAUD:] Because your Big BORIS said that this is exactly the trade union--their
people--who are building the ships for Vietnam and if the war stops they will
be unemployed and therefore in the last period said nothing about Indochina.
